

WOMEN'S ADVENTURES IN GOLF
2026 SPONSORSHIP OPPORTUNITIES

EXECUTIVE SUMMARY

Women's Adventures in Golf (WAG) is a volunteer-led, community-powered initiative that makes golf welcoming, joyful, and accessible for women of all skill levels. Since launching in 2024, WAG has grown into a vibrant movement built on confidence, connection, and giving back.

In just two seasons, participation has surged: in 2025, 266 women played 532 rounds, and since 2024 our generous WAG community has raised over \$10,000 for local organizations supporting women and children. This momentum reflects the strong demand for inclusive, low-pressure golf experiences for women in our region.

As a volunteer-led initiative, WAG relies on community partners to keep our programming affordable and impactful. Partnerships directly support what our players have asked for—more clinics, social events, and opportunities to build confidence both on and off the course.

What your Partnership Will Help Make Possible:

- **Strong Digital Engagement:** Maintaining our website and email platform—the hub for registration, updates, and community connection.
- **Enriched Event Experiences:** Providing game materials, creative prizes, and welcoming touches that make each round fun and beginner-friendly.
- **Expanded Clinics & Social Events:** Reducing barriers so WAG can offer more low-cost learning and connection opportunities.
- **Inclusion & Growth:** Supporting outreach and programming that help new golfers feel comfortable, confident, and excited to return.

Partnering with WAG offers meaningful visibility while aligning your organization with a mission that champions women's wellness, recreation, and community impact. Your support helps ensure WAG remains accessible, inclusive, and able to grow in ways that truly matter to the women we serve.

Join us in making the 2026 WAG season our most impactful yet.

With gratitude,
Susan Williamson & Anne Ondercin

PRIZE SPONSOR

In-kind contribution valued at \$100–\$499

Prize Sponsors support a single WAG round by contributing fun, themed, or useful prizes that help make each event special. This level is perfect for small businesses, boutiques, artisans, local makers, and community supporters who want to be part of the WAG experience.

Recognition Includes (Round-Specific):

- Listed as the Prize Sponsor for the selected round
- Verbal thank-you during event announcements
- Logo or name featured in the game booklet for that round

PREMIER PRIZE SPONSOR
